

**Southern New England Regional
Game of Logging Competition and 2011**

Log A Load for Kids Campaign

Saturday September 24, 2011

Woodstock Fairgrounds

Woodstock, CT

In Conjunction with the *Celebrating Agriculture Fair*

The Connecticut Professional Timber Producers, in cooperation with the Game of Logging, is coordinating the 2011 **Log A Load for Kids Campaign** for Connecticut. **Log A Load for Kids** is a national program sponsored by state timber and forestry associations whereby **100% of the proceeds raised goes to support a Children's Miracle Network Hospital**. The CMN affiliated hospital in Connecticut is the CT Children's Medical Center in Hartford.

Over \$12,000 has been raised for Log A Load for Kids since 2007!

The Game of Logging is nationally recognized as the premier timber harvesting training program in the country offering hands on training in a competitive environment.

Professional loggers who have completed all four levels of training are qualified to compete with the winner going to the Nationals in 2012.

Detach and mail today

Any amount is greatly appreciated.

Donations are requested by September 19th in order to be recognized at the event on September 24th.

Yes... I would like to support the 2011 Log A Load Campaign at the Regional Game of Logging Competition
