## Pulpwood Chip Plant Operator

Enfield, CT

Connecticut Mulch Distributors, Inc.

### If You Know Wood, Iron, and Hard Work — We Want to Talk to You

Connecticut Mulch Distributors, Inc. is a **family-owned operation** heading into our **49th year**, and we're looking for a **Pulpwood Chip Plant Operator** who isn't afraid to work, get dirty, and keep machines running.

Our automated chipping facility in Enfield, CT handles **tree-length wood** and turns out **multiple loads of chips every day**. This is **steady, year-round work** for someone who wants a **long-term career** in the woods — not a short-term gig.

---

### What You'll Be Doing

- Running a **John Deere wood grapple payloader** feeding the chip mill
- Loading and unloading trailers with **Hood Log Loaders**
- Loading chip trailers with **chips and bark**
- Operating and maintaining a **mobile chipping unit with a wood shear**
- Performing **daily maintenance** on the chip plant and debarker
- Keeping the **wood yard clean, organized, and safe**
- Working as part of a crew that looks out for each other and gets the job done

---

### What We're Looking For

- Experience around **wood yards, chippers, or heavy equipment**
- Strong **mechanical sense** — you can spot problems before they become breakdowns
- Willing to work **outside in all weather**
- A solid **work ethic**, good attitude, and respect for safety
- Someone dependable who shows up ready to work

---

## What We Offer

- **Competitive pay based on experience**
- **Plenty of hours available** for those who want to work
- **Health, dental, and vision insurance**
- **Paid time off** (vacation, holidays and sick time)
- **401(k) with company match**
- Stable, long-term employment with a company that values people who pull their weight
